## EASI-CLEAN

### Caustic Based Heavy Duty Degreaser

Easi-Clean is a caustic based Heavy Duty Degreaser removes heavy deposits of grease, fat, protein deposits, dirt, oil, from all hard surfaces. Easi-Clean is particularly effective in food plants and kitchens when used as directed.

Easi-Clean is D.P.I. and AQIS approved for use in food plants.

#### Procedure:

##### Food Processing & Dispensing Equipment:

Add 50ml to a bucket of warm/hot water (10 Litres).

1. Wipe over surfaces.
2. Rinse with cloth wrung out in clean water.

##### Cool Rooms, Fridges & Freezers:

Add 100-200ml (depending on soil load) to a bucket of warm/hot water (10 Litres).

1. Wipe over surfaces.
2. Rinse with cloth wrung out in clean water.

##### All Purpose Cleaning:

Add 50ml to a bucket of warm/hot water (10 Litres).

1. Wipe over surfaces.
2. Rinse with cloth wrung out in clean water.

##### Spray & Wipe:
