GRILLMASTER **K3**

Heavy Duty Oven & Grill Cleaner

Grill Master Heavy Duty Oven and Grill Cleaner is a foaming alkaline cleaner for ovens, grill plates and deep fryers. It is also recommended for cleaning stainless steel canopies and benches in kitchen environments.

Procedure:

1. Always pre-heat surface to be cleaned to 50 C.
2. Apply undiluted using trigger applicator.
3. Apply liberally and leave for 5-10 minutes.
4. Wipe off with damp cloth.
5. Wring cloth frequently in warm water.
6. Rinse with clean water.

PLEASE NOTE:

- *Read label directions before using product.*
- *Handle this product carefully. Check label precautions.*
- *Always wear rubber gloves, face mask and eye protection.*
- *Refer to Material Safety Data Sheet.*
