Sudzee

Sink Detergent

Sudzee Sink Detergent is an active multi-purpose detergent formulated to cut through baked-on grease. This high sudsing liquid is delicately perfumed with an apple fragrance and is guaranteed to deliver great cleaning results. Sudzee

Sink Detergent is recommended for a wide variety of cleaning applications such as pots and pans, dishes, glassware and light duty cleaning tasks on hard surfaces (floors, walls, benches).

Procedure

LIGHT WASH UP - Add 50ml per 20 litres of hot water.

MEDIUM / HEAVY WASH UP - Add 100ml per 20 litres of hot water.

1. Fill sink with hot water to the requirement level.
2. Wash item in sink.
3. Rinse thoroughly with clean water.
4. Allow to dry.

This Product has been independently tested and approved by Accords Recognised environmental credentials scheme.
