LEMON FRESH

Disinfectant

Lemon Fresh Disinfectant is a commercial grade disinfectant with built-in detergent. It is formulated to clean all hard surfaces and to disinfect, providing excellent protection against germs and bacteria. It will deodorise the room leaving a pleasant lemon fragrance. Lemon Fresh detergent is recommended for all washable hard surfaces such as floors and walls in washrooms.

Procedure:

- For General Cleaning dilute 1:60 with water.
- For Cleaning & Disinfecting dilute 1:20 with water.
- For Spray & Wipe Cleaning, fill trigger spray with diluted solution. Spray on to surface to be cleaned and wipe over with a lint free cloth or paper towel.
- For Bucket Cleaning, fill bucket with concentrated solution, dilute as required. Mop on to surface to be cleaned. Rinse clean.
- Allow surfaces to air dry.

This Product has been independently tested and approved by Accords Recognised environmental credentials scheme.
