
❖ Work Health & Safety Policy

RapidClean represents the interests of independent cleaning supplies specialist's members by inherent strength in market coverage, membership, and supplier programs to add value and increased profitability to its member's businesses.

The Health and Safety of those who work either directly or indirectly for RapidClean is of the utmost importance to Senior Management and it is our ultimate goal to continually improve Work, Health and Safety (WHS) performance within the business.

In order to achieve this, the following objectives have been established:

- Communicating this policy to all existing employees and to new employees when they commence with RapidClean
- Complying with all WHS legislation and other requirements which are relevant to RapidClean
- Making our commitment to Health and Safety visible to all interested parties
- Setting measurable objectives and targets which will be monitored to ensure continual improvement
- Maintaining a Management System which meets the requirements of AS/NZS 4801:2001

This policy together with the measurable objectives and targets will be reviewed on an annual basis to ensure that it remains relevant and suitable to the operations of RapidClean.
